Reports of the events along with the photographs with captions and dates for last five years.

Report of the sports and cultural events organised at the institution during the last five years

Onam

Onam, a major festival in Kerala, offers valuable educational insights across various domains:

1. **Cultural Awareness**: Onam celebrations introduce the rich cultural heritage of Kerala, including its traditions and values. Understanding Onam helps students appreciate regional diversity.
2. **Tradition and Heritage**: The festival showcases traditional practices such as creating flower carpets (pookalam), preparing the Onam feast (sadya), and participating in cultural performances like Vallamkali (boat races) and Thiruvathira.
3. **History and Mythology**: Linked to the legend of King Mahabali, Onam provides a window into local folklore and its influence on cultural identity.
4. **Art and Craft**: The creation of intricate floral designs and traditional crafts during Onam enhances students' creativity and fine motor skills through hands-on projects.
5. **Community and Unity**: Onam promotes communal harmony and inclusivity, teaching values of cooperation and unity across social and economic barriers.
6. **Culinary Skills**: Preparing the Onam sadya offers practical lessons in cooking and the cultural significance of traditional foods.
7. **Festive Traditions**: Activities like storytelling, drama, and dance offer experiential learning and engage students in cultural expressions.

Christmas

Christmas, celebrated worldwide, holds significant educational value:

1. **Cultural Understanding**: Christmas offers insights into global traditions and customs, fostering an appreciation of cultural diversity.
2. **Historical Context**: It provides lessons on historical events and religious history, enriching knowledge of theology and history.
3. **Literature and Arts**: The festival inspires literature, music, and art, highlighting the role of creativity and cultural impact.
4. **Moral Lessons**: Emphasizes values like generosity and kindness, promoting moral and ethical development.
5. **Community and Social Studies**: Encourages community service and social responsibility through charitable activities and social gatherings.
6. **Mathematics and Economics**: Involves practical applications such as budgeting and event planning, making abstract concepts more relatable.
7. **Festive Traditions and Customs**: Offers experiential learning through traditions like decorating and cooking, enhancing practical skills and cultural knowledge.

Importance of Arts

The arts are crucial in education for several reasons:

1. **Creativity and Expression**: Arts foster creativity, helping future teachers develop engaging teaching methods and materials.
2. **Emotional Development**: Engaging in the arts enhances self-awareness and emotional intelligence, essential for connecting with students.
3. **Cultural Awareness**: Arts education broadens understanding of diverse cultures, aiding in the creation of an inclusive classroom environment.
4. **Critical Thinking and Problem-Solving**: The arts promote innovative thinking and problem-solving skills, vital for effective teaching.
5. **Enhanced Communication Skills**: Arts activities improve storytelling, presentation, and dialogue skills, important for effective teaching and interaction.

SREE NARAYANA COLLEGE OF TEACHER EDUCATION SRI KRISHNAPURAM
PRINCIPAL
SREE NARAYANA COLLEGE OF TEACHER EDUCATION
KOTTAPPURAM (POST), SREEKRISHNAPURAM, PALAKKAD (DT)

6. **Engagement and Motivation**: Arts make learning more engaging and motivating for students, leading to more dynamic lessons.
7. **Development of Teaching Strategies**: Arts training offers diverse teaching strategies applicable across subjects, enhancing teaching versatility.
8. **Building Confidence**: Arts experiences build confidence through performance and sharing, important for classroom management and lesson presentation.

Incorporating the arts in B.Ed programs prepares future educators to create more effective and inclusive learning environments.

Sports

Sports contribute significantly to education in the following ways:

1. **Physical Health**: Promotes fitness and well-being, aiding in managing the physical demands of teaching.
2. **Teamwork and Collaboration**: Enhances skills in working with others, essential for effective classroom management.
3. **Leadership Skills**: Develops abilities to guide and motivate, useful for managing students and leading activities.
4. **Discipline and Time Management**: Teaches organization and balance between academics and sports.
5. **Stress Relief**: Provides a healthy way to manage stress, important for teacher well-being.
6. **Conflict Resolution**: Offers experience in handling disputes, beneficial for classroom management.
7. **Encouraging a Healthy Lifestyle**: Models physical activity and well-being for students.
8. **Building Confidence**: Boosts self-esteem and confidence, translating into effective teaching.

Incorporating sports in B.Ed programs fosters well-rounded, resilient, and skilled future educators.

Day Celebrations

Day celebrations, such as special observances or themed events, offer significant benefits:

1. **Fostering Community Spirit**: Brings people together, fostering a sense of community and belonging, and strengthens relationships among participants.
2. **Promoting Cultural Awareness**: Highlights cultural traditions and histories, promoting understanding and appreciation of diverse backgrounds.
3. **Enhancing Engagement**: Makes learning more interactive and enjoyable, increasing student motivation.
4. **Encouraging Participation**: Includes various groups, building a cohesive and collaborative atmosphere.
5. **Recognizing Achievements**: Provides opportunities to celebrate accomplishments and milestones, enhancing morale and motivation.
6. **Creating Memorable Experiences**: Builds lasting memories and traditions, contributing to a sense of identity and continuity.
7. **Supporting Well-being**: Includes fun and relaxation, contributing to overall well-being and reducing stress.
8. **Educational Value**: Offers practical learning experiences related to history, culture, or social skills.

Report on Sports and Cultural Events Organized During the Last Five Years on Sree Narayana College of Teacher Education

Introduction: -

This report summarizes the various sports and cultural events organized at our institution over the last five years. These events were planned and executed to promote holistic development among students, encourage participation in extracurricular activities, and create a vibrant campus culture.

At Sree Narayana College of Teacher Education, a **weekly cultural program is conducted every Friday** to enhance the physical and mental well-being of students. These programs

PRINCIPAL
SREE NARAYANA COLLEGE OF TEACHER EDUCATION
KOTTAPPURAM (POST), SREEKRISHNAPURAM, PALAKKAD (DT)

include a variety of activities such as music, dance, drama, and art, allowing students to express their creativity and unwind from academic stress.

The sessions are designed to promote holistic development by integrating both physical activity and mental relaxation. Students participate actively, showcasing their talents, building confidence, and fostering a sense of community. Additionally, these programs help in developing soft skills like teamwork, leadership, and communication.

By incorporating cultural activities regularly, the college aims to create a balanced environment that nurtures not only academic growth but also the overall health and well- being of students.

Summary of Events

REPORT OF PROGRAMME OF THE YEAR 2022 – 2023

A total of 109 cultural and sports events were organized. Events included cultural programs, observance of international days like World Malala Day, National Women's Day, World Photography Day, and significant celebrations such as Onam, Christmas, and Republic Day. The participation rate was high, with most events involving 90- 100 students. Special mentions include the International Day of the Girl Child, National Youth Day, and Friendship Day, which saw enthusiastic student involvement.

2. ORIENTATION ABOUT NAAC

On 6 June 2022, Sree Narayana college of teacher education conducted orientation about NAAC. The National Assessment and Accreditation Council (NAAC) is an autonomous body in India responsible for assessing and accrediting higher education institutions (HEIs) to ensure quality standards. NAAC evaluates institutions based on various criteria, including teaching, learning, infrastructure, research, and governance. Accreditation by NAAC helps institutions improve their educational quality, enhances credibility, and provides insights for continuous improvement. It also aids students in making informed decisions about their education by recognizing accredited institutions.

International Peace and Love Day

International Peace and Love Day at Sree Narayana College of Teacher Education was celebrated with a focus on promoting harmony, unity, and compassion. The event began with a peace march led by students and faculty, symbolizing the commitment to fostering a peaceful society.

Conclusion

Over the last five years, our institution has demonstrated a strong commitment to nurturing the cultural and sporting talents of our students. The wide range of events organized reflects our dedication to providing a balanced education that emphasizes both academic and extracurricular excellence. The enthusiastic participation of students across all years indicates the success of these initiatives in building a vibrant and inclusive campus community.
