

ADVANCE FACULTY DEVELOPMENT

Sree Narayana College of Teacher Educations major strategic plan is Advance Faculty Development. This includes Improve faculty skills in curriculum construction and innovative teaching methodologies. For that purpose, the institution organizes regular workshops, seminars, and courses focused on the latest educational practices, technology integration, and subject-specific advancements. Also, for this purpose, the head of the institution grant permission to all the faculty members to attend faculty development programmes, seminars, workshop conducted by other Colleges.

IQAC with curriculum development committee always planned to conduct program for the teachers and non-teaching staff for their professional updation. Also encourage faculty to engage in research by providing grants, resources, and time for research activities. Provide training in leadership, administration, and management to prepare faculty for roles in academic leadership and decision-making. Promote the teachers for adopting innovative teaching methods and best practices in pedagogy. Provide platforms for faculty to share successful strategies and methodologies. Also ensure that adequate resources, including access to academic journals, technology, and learning materials, are available to support faculty development.

The major faculty development programmes organized by the Institution are

1. Skill Development Program – Book Binding
2. Strategies for Total school Improvement Movement
3. Workshop on Chart Preparation
4. Advanced Teaching Methodologies
5. Influence of Literature in Life

6. Critical Understanding of ICT
7. Workshop on Preparation of Teaching Learning Materials
8. Orientation About Learning Management System
9. NEP 2020 A Transformative Horizons In Teacher Education
10. Familiarizing New Examination and Evaluation System
11. Expert Talk on 21st Century Teachers
12. Discussion on Curriculum Construction
13. NAAC Orientation

In addition to these the members of the faculty attend many online and offline faculty development program organized by other institutions. So, through these activities the college can enhance faculty skills, improve teaching quality, and contribute to the overall academic success of the institution
